

A 1968 paper explains your AI agent problem.

Every team gets its own agent. Nobody owns the total.

1968

Systems copy the org chart

Melvin Conway: organisations design systems that mirror their own communication structure.

02

TODAY

Nobody can give you the number

SAP LeanIX's 2026 survey: fewer than half of companies can see an inventory of their agents.

03

THE FIX

Ask for the register

Every live agent, a named owner, what it can reach, and when it was last reviewed.

Somebody should be counting.
